

Wildfire resources for AGRICULTURE & LIVESTOCK PRODUCERS

Keaton Molt, Harney County

OSU EXTENSION SERVICE

Find wildfire resources

OSU Extension is coordinating with local response efforts to help farmers, ranchers and communities deal with the consequences of the wildfires.

Find information, resources and access to disaster relief programs, including N95 mask distribution.

Do you need hay or grain due to wildfires?

OSU Extension is partnering with state and local efforts to coordinate hay, livestock feed and monetary donations. We will also help coordinate the transportation of donations to the affected areas in partnership with Oregon Cattlemen's Association.

Donations

Through the OSU Foundation, OSU Extension is accepting monetary donations that would be used for livestock feed and/or wildfire recovery operation supplies. Find out more: beav.es/psB

If you can donate hay or grain, or help with transportation of donations to neighboring counties, please contact your local OSU Extension agent or office.
