# Immigrant & Refugee Rights Resources from Ethan Krow ([ekrow@aclu-or.org](mailto:ekrow@aclu-or.org)) ACLU of Oregon

Hello everyone,

As ICE engages in enforcement actions, the ACLU of Oregon has been working with the **Oregon for All** (<https://oregonforall.us/about>) coalition, the **Portland Immigrant Rights Coalition (PIRC)** (<https://pircoregon.org/>), and other organizational partners and individual volunteers to support immigrant and refugee communities across our state.

In response to community concerns and questions, Oregon for All sent an email yesterday. In case you've not seen this email – it is below.

Also, many organizations have been distributing know-your-rights info, including the **ACLU of Oregon** (<https://www.aclu-or.org/en/know-your-rights-immigrants-rights>) and **Oregon for All** (<https://www.oregonforall.us/resources>), among others.

Folks have told us that it would be useful to have links to the most-requested resources. Below are frequently-requested know-your-rights links for employers, individuals, and families:

- For Employers: **What to do if ICE comes to the workplace:** [https://www.nilc.org/wp-content/uploads/2024/11/NELP\\_EmployerGuide\\_Eng\\_2025\\_Final-.pdf](https://www.nilc.org/wp-content/uploads/2024/11/NELP_EmployerGuide_Eng_2025_Final-.pdf)
- For Individuals: **Cards to print and carry** (in 18 languages): <https://www.ilrc.org/red-cards-tarjetas-rojas>
- For Individuals: **Various scenarios to prepare for** (info for home, public, job): <https://unitedwedream.org/resources/know-your-rights/>
- For Families: **What families should do now to prepare** (in 8 languages): <https://www.ilrc.org/resources/know-your-rights-and-what-immigrant-families-should-do-now>

If you'd like to be removed from ACLU of Oregon's emails about our immigrant and refugee rights work, please let me know.

Thank you,  
Sandy Chung

\* Please feel free to forward this email to folks and organizations who may benefit from this info.

## **Email from Oregon for All dated February 2, 2025**

Dear Oregon for All (OFA) community partners,

Many of you are hearing of possible reports of ICE activity in Oregon communities, and we want to update you on what we can confirm.

**The Oregon for All Rapid Response Team** has a growing list of organizational partners and individual volunteers who respond to reports about possible ICE actions in communities across Oregon. We are thankful for community members who look out for each other, and we also ask people to be careful about not spreading unverified information, especially on social media.

The OFA coalition, including PIRC and ACLU of Oregon, attempts to verify all reports of ICE activity. However, many reports have not been confirmed. When we confirm that someone is detained, our first step is to ensure they have legal representation.

**Legal representation:** If someone is unrepresented, we immediately connect them to services through Equity Corps of Oregon (ECO), Oregon's universal representation program. Through PIRC, we also connect the detained person's family with other resources they may need.

The most critical information you can share with your community members is the following:

- **Know Your Legal Rights** to be prepared for an interaction with ICE. **Resources are available in English, Spanish, and Mandarin.** (<https://www.aclu-or.org/en/know-your-rights-immigrants-rights>)
- **Know Your Rights videos.**
  - *Now This* shared this **English-language video** (<https://www.instagram.com/reel/DFgYY6kpjQt/?igsh=MXczYWgzcmV6dzAzYg%3D%3D>) that might be helpful for community members. We are looking for high-quality Spanish versions to share.
  - *Now This* also has a helpful **Observer video.** (<https://www.youtube.com/shorts/s2wGxRN5YPM?feature=shared>).

- **PIRC hotline:** If community members observe ICE in their community, please immediately report it to the PIRC Hotline at 1-888-622-1510.
- **Make a plan with your family.** (<https://www.ilrc.org/resources/know-your-rights-and-what-immigrant-families-should-do-now>) Your family members need to know what steps to take if someone is detained, including where to find important documents and how your family should prepare.
- **Enroll in the Equity Corps of Oregon.** (<https://equitycorps.org/attorney-directory/>) You can get faster, free access to a lawyer if you are pre-enrolled in Equity Corps of Oregon. Call Equity Corps of Oregon (ECO) at 1-888-274-7292 (Mon-Fri, 9 AM-6 PM).

Please let us know if you need other educational materials.

No matter what the future holds, we will continue to support immigrant and refugee Oregonians and provide updates as needed.
